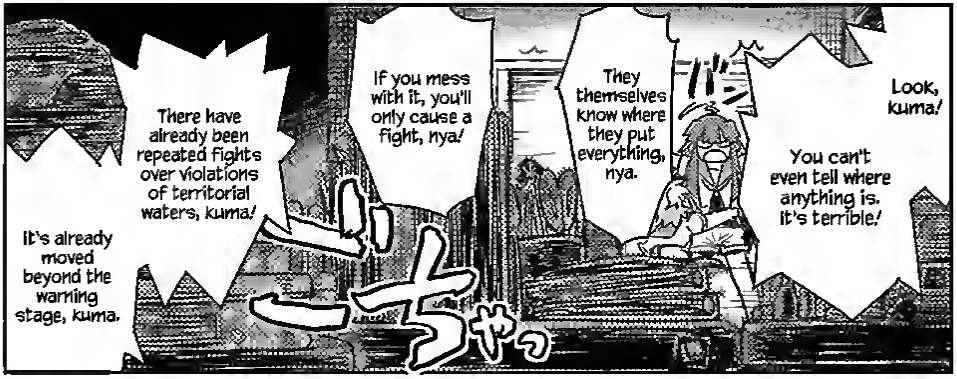
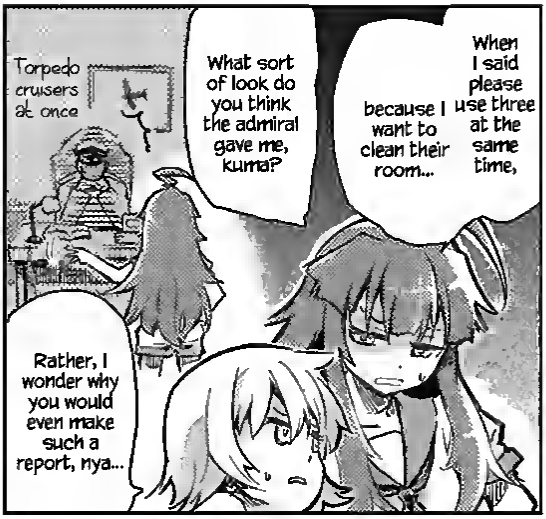
Ugh~
You're heavy, and warm.
:
ぽちり
It's quiet, nya.
It's quiet, kuma...
Nya?
When you decide to do something, you have to do it, kuma.
...Al-right.

We can't let this precious tranquility go to waste, kuma!
The two of us
will clean up their room, kuma!!
Even if you make a face like that, it's useless, kuma!
That face...
Do you hate it that much, kuma...?
It's a pain...
That's not it.
It's a waste of effort, nya. It's a waste of a day off, nya.
ずるずる
It won't make anyone happy, nya...
Let go, kuma.

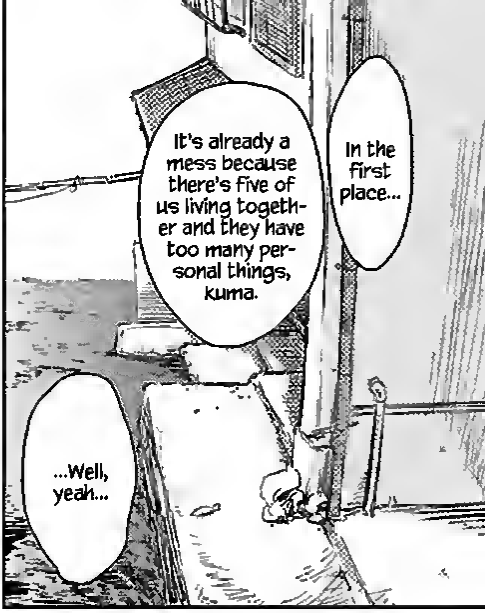


Look, kuma!
You can't even tell where anything is. It's terrible!
They themselves know where they put everything, nya.
If you mess with it, you'll only cause a fight, nya!
There have already been repeated fights over violations of territorial waters, kuma!
It's already moved beyond the warning stage, kuma.
ごろん

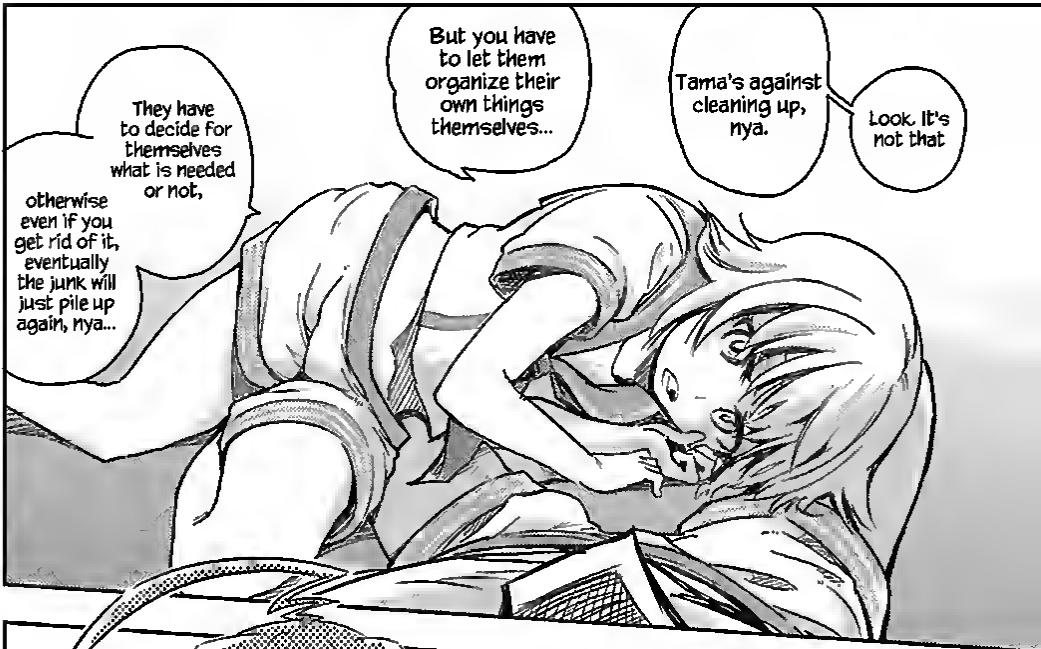
There are so many things that by the time it all starts to pile up on the ground, it'll already be beyond the point of no return, kuma!
according to Kuma's standards, Kuma will throw out, kuma!!
S... Stop it, nya!
If you do that, you'll start a war, nya!!
Everything that Kuma judges as unnecessary
SCRU



Torpedo cruisers at once
What sort of look do you think the admiral gave me, kuma?
When I said please use three at the same time, because I want to clean their room...
Rather, I wonder why you would even make such a report, nya...

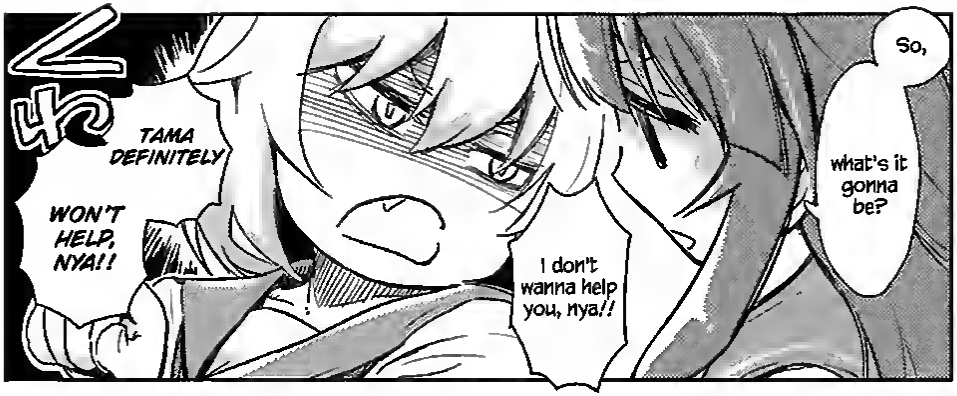


In the first place...
It's already a mess because there's five of us living together and they have too many personal things, kuma.
...Well, yeah...

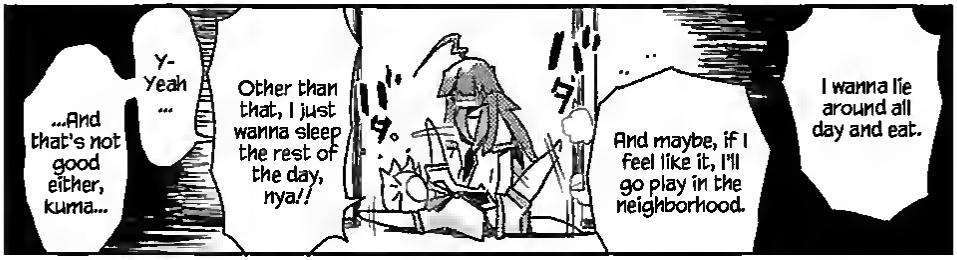


They have to decide for themselves what is needed or not, otherwise even if you get rid of it, eventually the junk will just pile up again, nya...
But you have to let them organize their own things themselves...
Tama's against cleaning up, nya.
Look. It's not that

That's pretty compelling, kuma.
Hohoh.
It's important that they decide not to keep things before throwing them away, nya.



TAMA DEFINITELY WON'T HELP, NYA!!
I don't wanna help you, nya!!
So, what's it gonna be?



I wanna lie around all day and eat.
And maybe, if I feel like it, I'll go play in the neighborhood.
Other than that, I just wanna sleep the rest of the day, nya!!
Y-Yeah ...
...And that's not good either, kuma...

...You try to pretend to be a responsible eldest daughter, but...

Despite all your grumbling, eventually you'll surely stop caring, nya!
Tama knows well that Kuma tends to find things troublesome just as much as Tama does, nya!!
...Why, you...!!

I just can't stand it when someone says something like, "oh, Kuma-chan, your house is surprisingly filthy", kuma!!
That manner of thinking leads straight to a house overflowing with garbage, kuma.
So it's totally unnecessary to work now, nya!
There's gonna be a pile of laundry when they get back anyway, nya.

today we'd both be able to just lie around the whole time, nya...
I thought that
